We hope that you are all keeping safe and coping with the restrictions and will be able to enjoy Christmas and the New Year.</p> <p>It has been some time since we had a meeting and it looks like it may be a while before we can have another one. One way of keeping in touch is to hold a virtual meeting; Zoom appears to be the favourite method, though this (or any other application) requires access to a Smartphone, tablet or computer with a camera and microphone.</p> <p>Please could we have your views on this and any ideas and suggestions for this or any alternatives and we can then look to organising something in the New Year. We are aware that some members find travelling to meetings difficult and a virtual meeting is a way of keeping them involved.</p> <p>Please contact Nick Bagnall by email at <a href="mailto:nick@iasupport.org">nick@iasupport.org</a> (we will need email addresses to set up any meeting).</p>
